

CHALLENGE PITCH VIDEO LINK

Below it the challenge pitch video link. As you have learned that once you are contacting people in conversations from the scripts, we provided you then send them the pitch video and let the pitch video do all the explaining! NEVER post the pitch video on an open website or the link in your social media. The pitch video is only allow to be sent to people individually once you are in contact with them. Remember we have all the training in this section on how to do all that.
