

The Herbalife24® Trial Pack

“Sports nutrition isn’t just for elite-level athletes. If you elevate your heart rate during any activity, then congratulations – you’re an athlete!”

– Dr. Dana Ryan, Ph.D., MBA, M.A., Director, Sports Performance and Education

The Herbalife24® Trial Pack is a product and business tool that gives your customers an entry point to the world of sports nutrition.

Each pack contains a zip pouch with nine single-use packets:

- PRE: 3 – Herbalife24® Prepare
 - Formulated with caffeine, Nitric Oxide precursors, and creatine to help you perform at your best before your workout*
- DURING: 3 – Herbalife24® CR7 Drive
 - A unique blend of carbohydrates and electrolytes for enhanced hydration to sustain performance during your workout
- POST: 3 – Herbalife24® Rebuild Strength
 - Contains 24 g of whey and casein proteins to help recover, repair and support the growth of your muscles after your workout*

Reach out to your friends, family and customers and help them fuel their inner athlete with the
